Delegation Visit (British Council)

On Date 14 November 2019, Ms. Kanwal Shah Project Manager Sindh & balochistan of Tacs project (BC) visited grant assessment of school in different location of District Shaheed Benazir Abad in which First location Village Asgharabad 2nd location Village Jamal bhag and 3rd location was Village mehmood khan jamali of the district shaheed benazirabad, the main purpose of visit were to see the progress of mohalla committee, volunteer work at different location regarding the enrollment of Out Of School Children's and also grant assessment of school class room at GBPS Asgharabad and two other locations GBPS Jamal Bagh and GBPS Mehmood Khan Jamali as well because due huge amount enrollment at the school we

need one extra class for smooth study of children, In these schools British council enrollment child was 120 out 300 strength of these schools so need of construct one extra class room for each location so that their child continue his study due to this kind efforts community also contribute the amount in sense of labor charges and lump sum amount of 20000 contribution for each community person for said locations.

After that visited at head office shah sachal sami foundation and meet with Razi khan Jamali Additional Director Education and discuss about Nawabshah education system and specially focused on closed school issue then Razi khan jamali said that there is big gap between us because in so many rural area school only one teacher allocated in single school if single teacher retired or expire we faced lot of difficulties to solve that issue so in this kind we built one committee at district

level who's work is to identify that school and appoint temporary basis staff on that school so that our school not becomes in position of closed status

Also Checked the Documents of Volunteers records, Mohalla Committees and enrollment forms as well.
