Appreciation Letter for outstanding performance

Dear Ms. Shah Sachal Sami Foundation SSSF

I am writing to express my sincere appreciation for the outstanding work of the Shah Sachal Sami Foundation(SSSF) in Nawabshah. The SSSF has consistently demonstrated a strong commitment to improving our city, particularly in the fields of education, Women rights and empowerment, Awareness and advocacy, and local Governance.

One of the noteworthy initiatives of SSSF was their collaboration with the British Councils, where they engaged youth volunteers to re-enroll students who had dropped out of school. They also provided valuable training and orientation to government teachers, enhancing the quality of education in our region. SSSF's efforts in promoting women's rights and empowerment, as well as combating gender-based violence, are commendable. Their partnerships with organizations like ShirkatGah have been instrumental in raising awareness and providing support to women in need. Additionally, SSSF has played a crucial role in empowering women through vocational skills training, in collaboration with the Muntaha Skill Development Center, BBYSD and USAID. This initiative has helped many women gain valuable skills and become economically independent.

During the COVID-19 pandemic, SSSF went above and beyond to support the community. They distributed rashan cards and provided assistance to those in need, demonstrating their commitment to serving the people of Nawabshah. Furthermore, SSSF's projects they have done with the Government of Sindh is worthy of admiration and your cooperation and coordination with the local government and other local body authorities have been invaluable. Their willingness to work together for the betterment of our city is truly commendable.

In conclusion, I would like to extend my heartfelt gratitude to the Shah Sachal Sami Foundation for their tireless efforts and dedication to improving the lives of the people of Nawabshah. Their work is truly inspiring and deserving of recognition.

Mr. Ibrar Jaffar
