On dated 18-02-2020, SSSF organized the meeting with TEO Nawabshah and New UC Khair Shah Teachers Regarding the Intervention of British Council Project ILM Possible TACS-II. The meeting starts with the Recitation Of holy Quran then,

Muhammad Naseem Pirzada TEO Nawabshah gives us short briefing about the SSSF & British council project, he said that British council & SSSF also work on education for improvement of Education and also increase the enrolment in Govt: primary schools so in this kind British council and SSSF need support from education Department for increasing the enrollment in the sense of Out of School children's with the kind support of Young Volunteers.

Zeeshan Rafique Lashari -Project Coordinator-TACS-II SSSF Nawabshah Gives the detailed briefing about the Project Overview, the British Council's ILMPOSSIBLE-Take a Child to School (TACS-II) focuses on the enrolment and retention out-of-school children (OOSC), aged 6- 11 years, in primary schools across Pakistan. TACS is co-funded by Educate A Child, an initiative of Education Above All (EAA), Qatar. It builds on a strong community interaction component where youth

volunteers are trained and engaged in an on-going enrolment campaign to identify and enroll out-of-school children. They then mentor the children in the primary schooling cycle across the four provinces of the country.

Khan Muhammad Mari- Community Mobilizer- TACS-II SSSF Nawabshah gives the briefing about the meeting held at this place he said that we are gathered here for the one reason that is education, in our society there are many issue but if our society were well educated and well prepared then these types of issue must be minimized and further said that we are starting intervention of British Council project in new UCs Khair shah due to that we are very thankful to all respected teacher who take time and gathered here for the cause of education and increase enrollment in our Government primary schools

and also said that British Council project is very effective for child education as well because in this project we have dosti component the main purpose of this component is engaged the children's with different physical activities like sports, reading stories books and so on. And he further said that in UC level we formed Mohalla committees in which we elected the chairman, general secretary and some members the main purpose of that committee who look after the uc level problems and give us suggestion for solving the problems and also Mohalla committee is to identify the missing facilities in schools

and resolved on priority basis with help of self help initiated funding by communities for the betterment of education. So in this kind we are arranging the BBCM at your uc level in which we have elected the some suitable persons for chairman, secretary and some members for working on that jurisdiction of UC Khair shah Schools. And also we have required some volunteer force at uc khairshah for upcoming enrollment drive at the end of june2020, so every teacher give two responsible volunteer who work with us for enrolling the child at uc level schools with ratio of 60% girls and 40% boys.

At end the every teacher must assure that we are working at our schools jurisdiction and identify the responsible person who work for the aim of education and enrollment then inform

to Mr. Hassnain ali magsi M& E Officer for further processing and engaging the training of that volunteers.
